

Letter from Mary to Arthur Prior, undated¹

Darling heart,

Yesterday was so lovely. I wish it were every day – except for Diodorus of course.

The book arrived today from the Broadcasting people w. a note.

Went to Cory today on Library as we are 2 girls short.

Slept badly again last night I'm afraid that's going to be the main difficulty until I go home

Must stop and post
this², my love, my love
Polly
